GOURMET YOUNG MASTER CHEFS · Global Challenge 2017 – Introduction of Thematic Ingredients

Maggi Seasoning

“Maggi”, a famous international household brand name, naturally made by fine selection of wheat with high quality, no MSG or preservatives, according to traditional unique recipe and flavor. Maggi Seasoning is perfectly matched with ingredients such as shrimp and pork chop, it helps to bring out the best in every meal. Just a few drops can make your dishes taste great.

Finnish SCAN Omega-3 Pork

Originated from Finland, SCAN Omega-3 Pork is naturally farmed in the purest Nordic environment to bring you the best flavor and texture with healthy eating. Delicious, juicy and tender, the pork is simple to cook to perfection. The pork rack and pork loin back ribs are selected to be the thematic ingredients of the Gourmet Young Master Chefs · Global Challenge 2017.

Tell Mama South African Abalone

Tell Mama South African Abalone in Brine is one of the Top chef's selections! Worth the price! South Africa abalone has beautiful abalone shape and delicious taste. Whether for a prestigious gift, for the highlight of a banquet or a special occasion at home, it will be appreciated for sure. Different sizes are available!

Black & White® Full Cream Milk

Manufactured by FrieslandCampina in Belgium, delivers quality and nutritious milk from grass to glass. Black & White® Full Cream Milk not only fit for direct consumption, serves as a good accompany for taste enhancement, such as preparing coffee and various kinds of drinks, but also widely used in culinary and bakery, enhance the richness, smoothness and savory!

MAKFA Russia Tomato Long Vermicelli

MAKFA has a history of 80 years in producing pasta and wheat flour. It is listed in the Top-5 world's largest manufacturers and the largest Russian exporter of wheat flour products in 20 countries of Europe, Asia, South and North America and the CIS. Makfa pasta is made of the Russian best durum wheat. Pasta is made according to the classic pasta dough recipe consisting of top-grade wheat flour and the purest water. Makfa pasta maintains its shape and taste properties perfectly when cooked.

President Cream Cheese

The recipe of President cream cheese had been created for both cooking and spreading usages. It has a perfect melting point and rich creamy flavor when making Cheese Cake but also a high spreadability and rich taste to eat instantly. President Cream Cheese is only made with natural milk and cream. No milk powder is used in the recipe.

IMAZIN Angel Shrimp

Originated from zero pollution heaven (New Caledonia), outstanding with its natural fresh and sweet taste. Being certified by "SGS-QUALICERT" in France as unique highest quality certification of shrimp. Live shrimp being frozen but still maintain the best quality, can be used as sashimi to eat or for cooking in both Chinese and Western cuisine.
